

## INFORMATION SHEET ONROAD 2022

Saturday 12 – Monday 14 March 2022

Last updated 5/4/2021

### START POINT

**Ashfield Reserve** (corner Guildford Rd and Coulston St) – All Groups

Breakfast will not be served at Ashfield Reserve, but there will be fruit and a hot urn for making tea. There will be a coffee van (have small change on you). Yellow, Orange, Blue and Green riders please arrive by 6:30am. Riders will leave from 7:30am. Brown riders arrive by 7am for 8am departure. Check-in is essential at the marked table where you can also collect your name plate and hand in money, collection tins and silent auction items. Those with dietary requirements can make themselves known here to our head caterer Nicole.

### LUGGAGE TRUCK

On Saturday morning please deliver your luggage to the truck upon arrival. No eskies will be loaded into the luggage truck.

Luggage will go into a Hertz Truck for transport direct to the overnight stop each day. You therefore cannot access your luggage during the day.

On Monday the truck will NOT travel to Busselton, so if you are making your own way home or wish to have a shower at Busselton, you will need to place your luggage or backpack in your group's trailer on Monday morning.

### CATERING

All meals are included in the nomination and those with dietary requirements are asked to identify themselves to the head caterer Nicole as early as possible.

There will be bananas and biscuits in one vehicle for each group for en-route stops.

There is always water in the vehicles for you to fill up bottles at scheduled and unscheduled stops.

If you are not attending either of the two catered evening meals, please let Jenny know prior to the event so that we are not paying for yours.

### SATURDAY NIGHT VENUE

This year we will again be staying at the Pinjarra Football and Netball Club in Roe Ave, Pinjarra (instead of the school). The club will also provide our main course that evening and the bar will be open for some of the time. Tenting and swags are an option.

### ROUTE

There may be some small changes to bits of the route for various reasons, but it is essentially the same as in 2021.

It is important to note that we do not want family or friends following the groups on the road as this increases congestion.

### DISTANCES

	Sat			Sun			Mon			Total
	Leg 1	Leg 2	Leg 3	Leg 1	Leg 2	Leg 3	Leg 1	Leg 2	Leg 3	
Brown	38	44	56	64	47	44	48	37	30	408
Yellow	38	44	56	64	47	32	48	37	30	397

Green	30	38	42	26	42	28	32	23	30	291

## **FINISH POINT**

Churchill Park, Adelaide St, Busselton. Vehicles will have to park outside on the road verges.

Groups should arrive between 12:30 and 1:30pm

Departure time for the coaches is 2:30pm.

Please let Event Controller Anita know early in the weekend if you are NOT returning on the bus, as many people change their minds from what they said in their nomination.

Please note that the lunch provided by The Lions Club of Busselton is for riders and crew only, not for families. The Lions provide this free of charge and cater only for the number of participants.

## **Bike packing for return journey:**

Bike packers will have tools to enable them to help you remove your pedals, which you will then pack in your luggage. Areas will be designated for you to leave your bike and luggage. You are encouraged to pad your bike yourself first. When all bikes are ready, Metrocount riders will load bikes. They will have cardboard packing to go between bikes. While all care will be taken, they will not be held responsible if something happens to a bike. However, this system is much safer than having everyone trying to load their own bike. Metrocount riders will also unload at Optus Stadium carpark.

## **PERTH DROP-OFF**

P2 carpark at Optus Stadium. Follow Roger Mackay Drive into the stadium area and turn right at the roundabout. The estimated time of arrival is 6:30pm. Please note that there will be a (strict) 20 minute food/drink/toilet stop at a major service station on the way home. There is no need therefore to take food on the bus.

## **FUNDRAISING**

There is a \$200 minimum fundraising requirement. This applies once only within a family and is waived for those who achieve \$200 in the previous OffRoad.

CanTeen will generously recognise those fundraisers who raise \$500+ with a free CanTeen cycle jersey (once only).

## **COVID PLAN**

There is now a Covid Plan on our website and we ask that you adhere to any requests we make during the event. Everything should be commonsense and follows the rules that you are required to follow everywhere else. Drivers and caterers will hand out food using gloves, with exceptions such as fruit, your own cereals, etc. You will not have to scan a QR code at every stop, because we will carry a master list of all participants (equivalent to the handwritten sign in sheet at every venue you visit). If visitors call in, they will need to see Event Controller Katie and complete a handwritten check-in.

## **TRAFFIC MANAGEMENT PLAN**

Main Roads require a Traffic Management Plan. It is vitally important that everyone follows all the rules. Please read through the Rider and Marshal Guidelines on the website (even if you are not a marshal) and make sure you heed marshal and driver instructions as well as road rules.

## **RIDER GUIDELINES**

Please read the rider guidelines on the website for safety, as well as consideration for others.

The committee and some riders have expressed concern over the level of alcohol consumption by some people during the evenings, leading to rowdy and sometimes disrespectful behaviour and disturbance of others at bedtime. We ask that everyone is mindful of drinking only in moderation, remembering that we have underage people involved and that we are all riding the next day. No eskies will be carried in the luggage truck or any trailers. No alcohol is to be consumed on the coaches on the way home - a strict requirement of Gannaways Bus Service.

## **FAMILIARISATION RIDES TBA**

### **INCLUDED MERCHANDISE**

Every participant will receive a commemorative t shirt. These are distributed at Pinjarra on the first night. Please make sure you collect yours.

### **SILENT AUCTION AND BIDDING AUCTION**

There will be a silent auction on Sunday night at Brunswick. If you can provide any items, please let Jenny know beforehand (with a RRP).

### **SPIRIT OF THE RIDE AWARD**

2019 saw the inception of a SPIRIT OF THE RIDE Award, initiated by Marty Seward, who made a perpetual trophy. This will be awarded at Busselton. A judging panel will take input from participants during the event to decide the recipient. Everyone is asked to write their suggestions. Pens, paper and a box will be available at each stop.

The recipient could be any participant or supporter of the event. The criteria for judging will be:

Courage and determination – eg overcoming personal difficulties

Support of others – eg encouragement, humour, selflessness

Positive, enthusiastic attitude – to all participants

Inclusion of all

“Above and beyond” behaviour

There will be many people who display these attributes, so we will rely upon your input to help the judges.

### **SPARE PARTS**

We always take an assortment of spare tubes and tyres which are available each morning and evening. If you use any stock, you need to pay for it later. Please bring two spare tubes with you.
